Murcar Links Golf Club

International and Corporate Membership Packages

This stunning links course is conveniently located within Energetica – Aberdeen’s Energy Corridor – a stone’s throw from the Aberdeen Exhibition & Conference Centre, between Royal Aberdeen and Trump International Golf Links Scotland.

The Murcar Championship Golf Links has a par of 71 and a standard scratch rating of 73 (USGA rating 72.7 and USGA slope rating 135). Murcar frequently features in the Top 100 courses in the UK and the VisitScotland Top 40 Great Scottish Links Collection.

Established in 1909 to the design of Archie Simpson, with later refinements made in the 1930s by the celebrated golf course designer James Braid, it has also undergone alterations and

improvements that are sympathetic to what Simpson and Braid set out to achieve, under the watchful eye of Graeme J Webster’s Team Niblick Ltd.

Murcar offers a range of competitively priced packages for international visitors to the Granite City. Whether an individual or a corporate, you won’t find a better deal to enjoy links golf while in town for business or pleasure.

Our international packages available to residents outwith the UK:
