

FROST POLICY

Severe Frost/Ice or Snow – Courses Closed

The course will be deemed unplayable when the risk of damage to the turf is high and/or ground conditions become dangerous for golfers.

White or Hoar Frost – Courses Open

Pins will be moved onto temporary greens depending on the severity of the frost.

*WEEKENDS - If the frost has not sufficiently lifted by **9.00am** then temporary greens will remain in play for the day

WEEKDAYS – **11.30am**

*February/March – Weekends will be given to the slightly later time of **10.00am**

Thaw After Deep Frost – Courses Open

Temporary Greens will remain in play until the frost has gone from the ground to a depth of around 100mm

Who Decides

The Course Manager or in his absence his deputy. At the other times such as holiday periods and weekends it will fall to the most senior member of staff on duty that day.
